

SKILL DEVELOPMENT PROGRAM

Under Prime Ministers skilling India initiative and vision of Skilled India, MRPL launched skill development programs by partnering with skilling institutes coming under framework of National Skill Development Corporation (NSDC).

MRPL has partnered with Nettur Technical Training Foundation (NTTF), Bengaluru and Central Institute of Petrochemicals Engineering and Technology (CIPET), Mysuru. The courses offered by these institutes are aligned as per National Skill Qualification Framework (NSQF)

MRPL has been sponsoring & imparting skill training to unemployed youth and weaker sections of the society from Karnataka State so that they get a sustainable livelihood.

MRPL has signed Memorandum of Agreement (MoA) with the skill training institutes on the implementation of the skill programs. The final milestone payment to these institutes is made only after completion of training program and placement of minimum 70% candidates.

Till date 230 candidates have completed the training and are certified. 182 candidates have been placed in various organizations (79%).

Training was imparted vide three different batches at NTTF, Bangalore. Total 135 candidates have completed the training. 126 candidates were certified and 100 candidates were placed.

Also, there was a proposal for opening SDI in the district. Accordingly, a multi-disciplinary committee was formed and survey of artisan training institute at Bannadka, Moodabidri

was carried out along with members of District Industry Centre in July'2018. The committee submitted its report on repairs and refurbishment cost of the institute excluding capital costs for procurement of equipment's etc. The proposal is status quo till date.
